## CERTIFICATE OF EXTENDED SHELF LIFE

**Supplier Name:** JAUCH Quartz GmbH

**Address:** In der Lache 24,  
D-78056 Villingen Schwenningen

All our quartz crystals and quartz crystal oscillators are hermetically sealed.

A Shelf Life up to 60 month (under our defined conditions) does not have any influence on the durability and the technical parameters of our products.

For the types with gold plated pads (no risk of corrosion), a Shelf Life up to 10 Years (under our defined conditions) does not have any influence on the durability and the technical parameters of our products.

This document certifies that parts fully comply with the individual specification after extended Shelf Life, when stored under appropriate conditions\*\*.

The signature below verifies that the statements above are valid and accurate.

Signature

A handwritten signature in black ink, appearing to read "M. Steidinger", is written over a light blue circular stamp.
